

Dear Business Owner,

As President of the Miami Palmetto Senior High School PTSA, I am excited to announce that we are initiating what we hope to be a successful Business Sponsorship program. We are asking local businesses, Miami Palmetto High School alumni, and community leaders to participate. One hundred percent of the proceeds will go directly to fund essential student programs, teacher special projects, and technology improvements, just to name a few. We will also continue to sell banners to promote businesses that support Panther Pride. These banners can be hung on the sports fence along both 120th Street and 77th Avenue, which is highly visible to local traffic. First come, first choice of preferred location!

While building your business profile and customer base, you can simultaneously make a real difference at a neighborhood school. You may be aware that Florida school funding is among the lowest per capita. Fortunately for our school, the PTSA in conjunction with our extraordinary community we are able to bridge that gap and make Miami Palmetto Senior High School a nurturing and amazing place to educate our teens.

There are several reasons why your business may be interested in this program. Most importantly, we are a tax exempt organization and your donation is tax-deductible. Second, our sponsors are recognized for their support in several ways that are visible to thousands of members of our far-reaching Palmetto family.

We are continuously working with community leaders to promote our amazing, public neighborhood schools. Competing with other school options can be challenging, but we maintain that Miami Palmetto Senior High School is not only an excellent choice, but also one that serves our neighborhood and strengthens our community.

Please consider the various business sponsorship opportunities that we offer. If you have any questions or another way that you are interested in supporting our school please do not hesitate to contact either me or the Vice President of Ways and Means, Dana March (danamarch73@gmail.com).
